## PROFESSIONAL SUMMARY

I am a creative and ambitious web developer from Austin, Texas. Born and raised in this vibrant city, I have always had a passion for technology and problem-solving. After a successful career as a Mercedes Benz technician, I decided to pursue my passion for web development and I am loving every moment of it. I believe that web development is the perfect way for me to use my skills and creativity to bring ideas to life. I am excited to be part of the growing tech community in Austin and I am always looking for new challenges to push myself to be the best I can be.
